

Say goodbye to a cluttered office door

Use DoorBoard to post virtual sticky notes

Anytime, anywhere—and on any device

Running late?

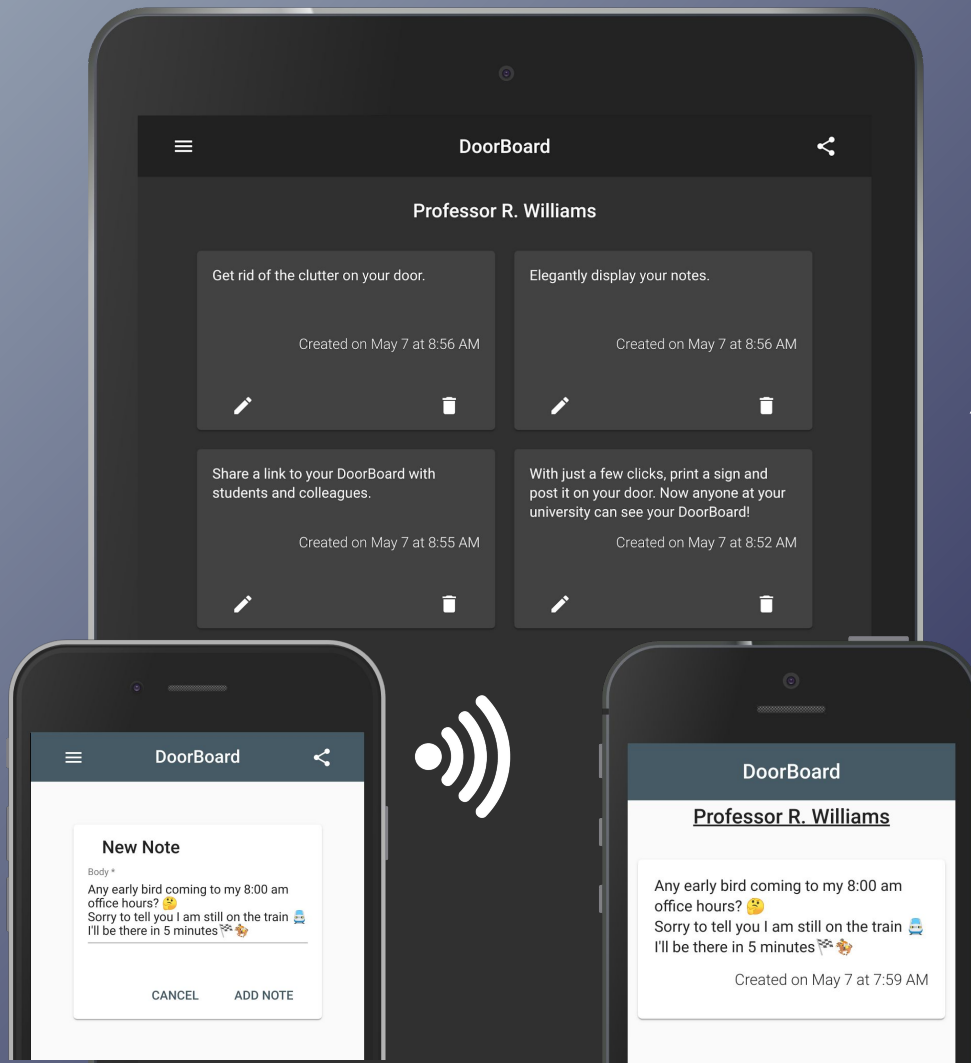

Post a note on the way

Working in another room?

Do your students know?

Forget running back to your office

Your notes go with you

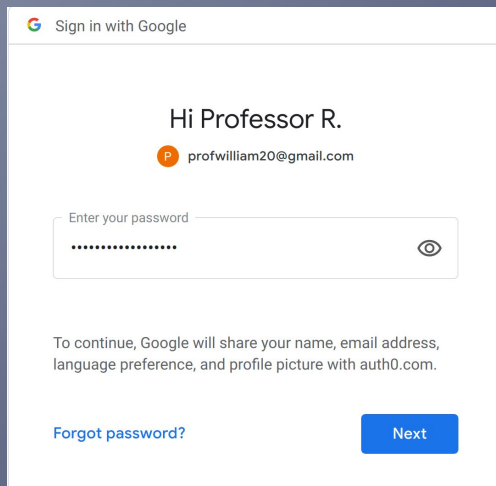

QUICK START

Go To:

droptables.csci.app

1. Sign up with your university account

Sign in with Google

Hi Professor R.

 profwilliam20@gmail.com

Enter your password

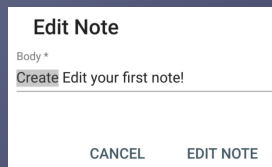

.....

To continue, Google will share your name, email address, language preference, and profile picture with auth0.com.

[Forgot password?](#) [Next](#)

Navigate to trash can and experience the student view

3. Edit a Note

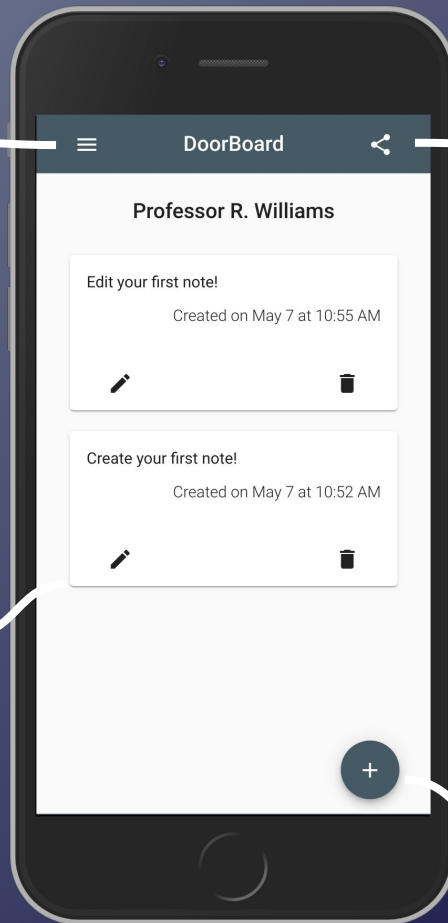

Edit Note

Body *

Create Edit your first note!

[CANCEL](#) [EDIT NOTE](#)

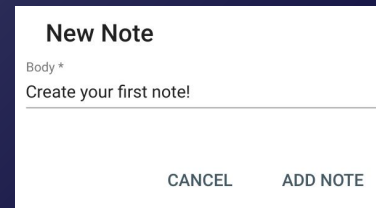

4.

Copy a link to your DoorBoard or print a sign to post on your door

Students and colleagues can refer to the sign to find your DoorBoard

2. Create a Note

New Note
